

Hocking Hills Butterfly Trail

The Hocking Hills Butterfly Trail
is a project of Logan in Bloom,
funded by
Hocking Hills
Tourism Association

1 Monarch

Hocking Hills Regional
Welcome Center, Monarch
Waystation #20927

13178 SR-664 S

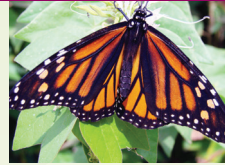

Logan, OH 43138

Hours: Sunrise to Sunset

Note: Welcome Center building is open

Mon-Sat 9-5, Sun 11-5

Monarchs prefer fields and gardens with milkweed. Caterpillars eat only milkweed, but butterflies sip nectar from many flowers. In fall, Monarchs migrate to Mexico.

2 Great Spangled Fritillary

Capital University, Primmer
Outdoor Learning Center

31243 Freeman Road

Logan, OH 43138

Hours: Sunrise to Sunset

Note: This site features the 1/3 mile-long Pine Nature Trail.

Fritillaries favor fields, gardens, and woodlot edges. Caterpillars feed on violets at night and hide during the day in leaf litter. They overwinter as caterpillars in the cracks of tree bark.

3 Orange Sulphur

Hocking Valley
Community Hospital

601 SR-664 N

Logan, OH 43138

Hours: Sunrise to Sunset

Note: The Butterfly garden is at the main hospital entrance. This site features a mile-long walking and fitness trail.

Orange Sulphurs often fly in open fields and gardens in both urban and agricultural areas. The caterpillars feed on alfalfa and clover.

4 Silver-Spotted Skipper

City of Logan,
Worthington Park
Corner of Market & Main
Streets

Logan, OH 43138

Hours: Sunrise to Sunset

Note: This historic park features a gazebo and benches.

Skippers enjoy city parks and other open areas near its caterpillar food, black locust tree and wisteria. Butterflies seem to prefer the nectar of milkweeds and mints.

5 Clouded Sulphur

The Bowen House
196 North Market Street
Logan, OH 43138

Hours: Sunrise to Sunset

Note: Bowen House building is open Thurs-Sat 2-5, and for special events.

Clouded Sulphurs are lemon yellow to almost green. Like other Sulphurs, they call open areas near alfalfa and clover home, including naturalized lawns that include clover plants among the grasses and in nearby gardens.

6 Red Admiral

Hocking County Historical
& Genealogical Society
64 North Culver Street
Logan, OH 43138

Hours: Sunrise to Sunset

Note: Museum building is open Sat & Sun 1-4 from April-October, and by appointment.

Red Admirals frequent woodland clearings and edges, parks, and gardens. The caterpillars are easy to find; just look for a nettle leaf that is sewn into a miniature sleeping bag.

7 Pipevine Swallowtail

Hocking Soil & Water
Conservation District
Hocking County
Fairgrounds

148 North Homer Avenue
Logan, OH 43138

Hours: Sunrise to Sunset

Note: HSWCD office is open Mon-Fri 8-4:30

Pipevine Swallowtails favor open areas like fields and gardens. Caterpillars eat any of several species of Pipevine. This butterfly overwinters as a pupa.

8 Viceroy

City of Logan
Community Garden
City Garage Complex on
Radio Lane

Logan, OH 43138

Hours: Sunrise to Sunset

Note: Please watch for work vehicles and equipment in the area.

*Viceroy*s frequent rivers, streams, and wooded edges, where caterpillars feed on the leaves of Willow and Cottonwood trees. Viceroy and Monarch butterflies look very similar but Viceroy's are smaller and have a black line that extends all the way across the lower wings.

9 Red-Spotted Purple

Logan High School
14470 SR-328
Logan, OH 43138

Hours: Sunrise to Sunset

Note: Please drive carefully in the school zone.

Red-Spotted Purples like open areas, woodland openings, and wet areas where the caterpillars eat leaves of Willow and Cottonwood trees.

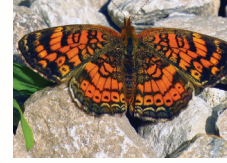

10 Pearl Crescent

Chieftain Elementary
School
28296 Chieftain Drive
Logan, OH 43138

Hours: Sunrise to Sunset

Note: Please drive carefully in the school zone.

Pearl Crescents prefer fields and gardens, but they also frequent woodlot edges. Pearl crescent caterpillars feed on asters.

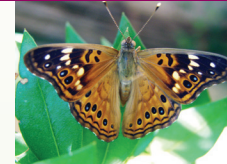

11 Hackberry Emperor

Natural Rockbridge State
Nature Preserve
11475 Dalton Road
Rockbridge, OH 43149

Hours: ½ hour before sunrise
to ½ hour after sunset

Note: Pets are not permitted

Hackberry Emperors perch in trees in wooded areas and near forest edges. The caterpillars eat the leaves of Hackberry Trees. It overwinters as a caterpillar!

12 Eastern Tiger Swallowtail

Appalachia Ohio
Alliance Conservation
Demonstration Site
Rockbridge Road A
Rockbridge, OH 43149

Hours: Sunrise to Sunset

Note: This preserve features a 3/4 mile-long nature trail.

Tiger Swallowtails frequent fields and wooded edges. The caterpillars are snake mimics that feed on the leaves of Cottonwood, Cherry, and Tulip trees. Tiger Swallowtail butterflies are sexually dimorphic, meaning males and females look different. The female has a blue band which the male lacks.

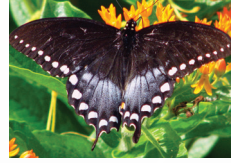

13 Spicebush Swallowtail

Bishop Educational Gardens
13200 Little Cola Road
Rockbridge, OH 43149

Hours: Parking area is open
sunrise to sunset

Note: Gardens and Nature Trails are open by appointment and special events only. For details, contact the Hocking SWCD at 740-385-3016.

Spicebush Swallowtails prefer woodlands and nearby meadows. The caterpillars feed on the leaves of Spicebush and Sassafras trees.

14 Eastern Comma

Butterfly Ridge
17864 State Route 374
Rockbridge, OH 43149

Hours: Seasonal April 15 until
first fall frost, or by appointment.

Note: For information visit butterfly-ridge.com, call 740-304-5372, or email chris@butterfly-ridge.com.

Commas favor woodlots and stream sides where the caterpillars eat the leaves of Elm trees and nettles. Their name comes from a silvery 'comma' on their hindwings. Commas fly in the early spring and again in late summer and autumn.

See pages 4 and 5 of this brochure for directions and a map and of the Butterfly Trail. Enjoy visting each Butterfly Wing location and please watch carefully for area traffic.

We hope you have fun learning about our native Hocking Hills Butterflies! We'd love for you to share your photos on social media with the hashtag [#hockinghillsbutterflytrail](https://twitter.com/hockinghillsbutterflytrail)

LOGAN

START HERE
