

# Planning a Reunion?

When was the last time the whole gang got together? Whether it's a family reunion or a get together with friend's time has scattered across the country, the Hocking Hills is the perfect place for reunions. Centrally located in southeast Ohio and easily accessible by road or air, this is a convenient locale for that long overdue gathering.

Imagine a place where you can re-connect. You're lounging on the deck, in the hot tub or around the campfire, completely relaxed and laughing as stories of the day linger in the evening air. Your days are filled with adventures to meet everyone's desires. Spend some quality time with Mother Nature, hiking past sparkling waterfalls, through pre-historic caves and dramatic rock outcroppings. Fly through the treetops ziplining, drop a line to catch your dinner or do a little gallery hopping- followed by wine tasting.

Hocking Hills luxury lodges allow you to get together with the whole family and reunite in your own private resort setting that offer all the amenities of a luxury resort. Enjoy a private in-ground swimming pool, large hot tub, gourmet kitchen, game room, fire pit, bedrooms and bathrooms for everyone and plenty of space to spread out and just relax.
